Getting Started?

Download the Cross Stitch Quick Start Guide, a 20-page eBook that will have you stitching in no time.

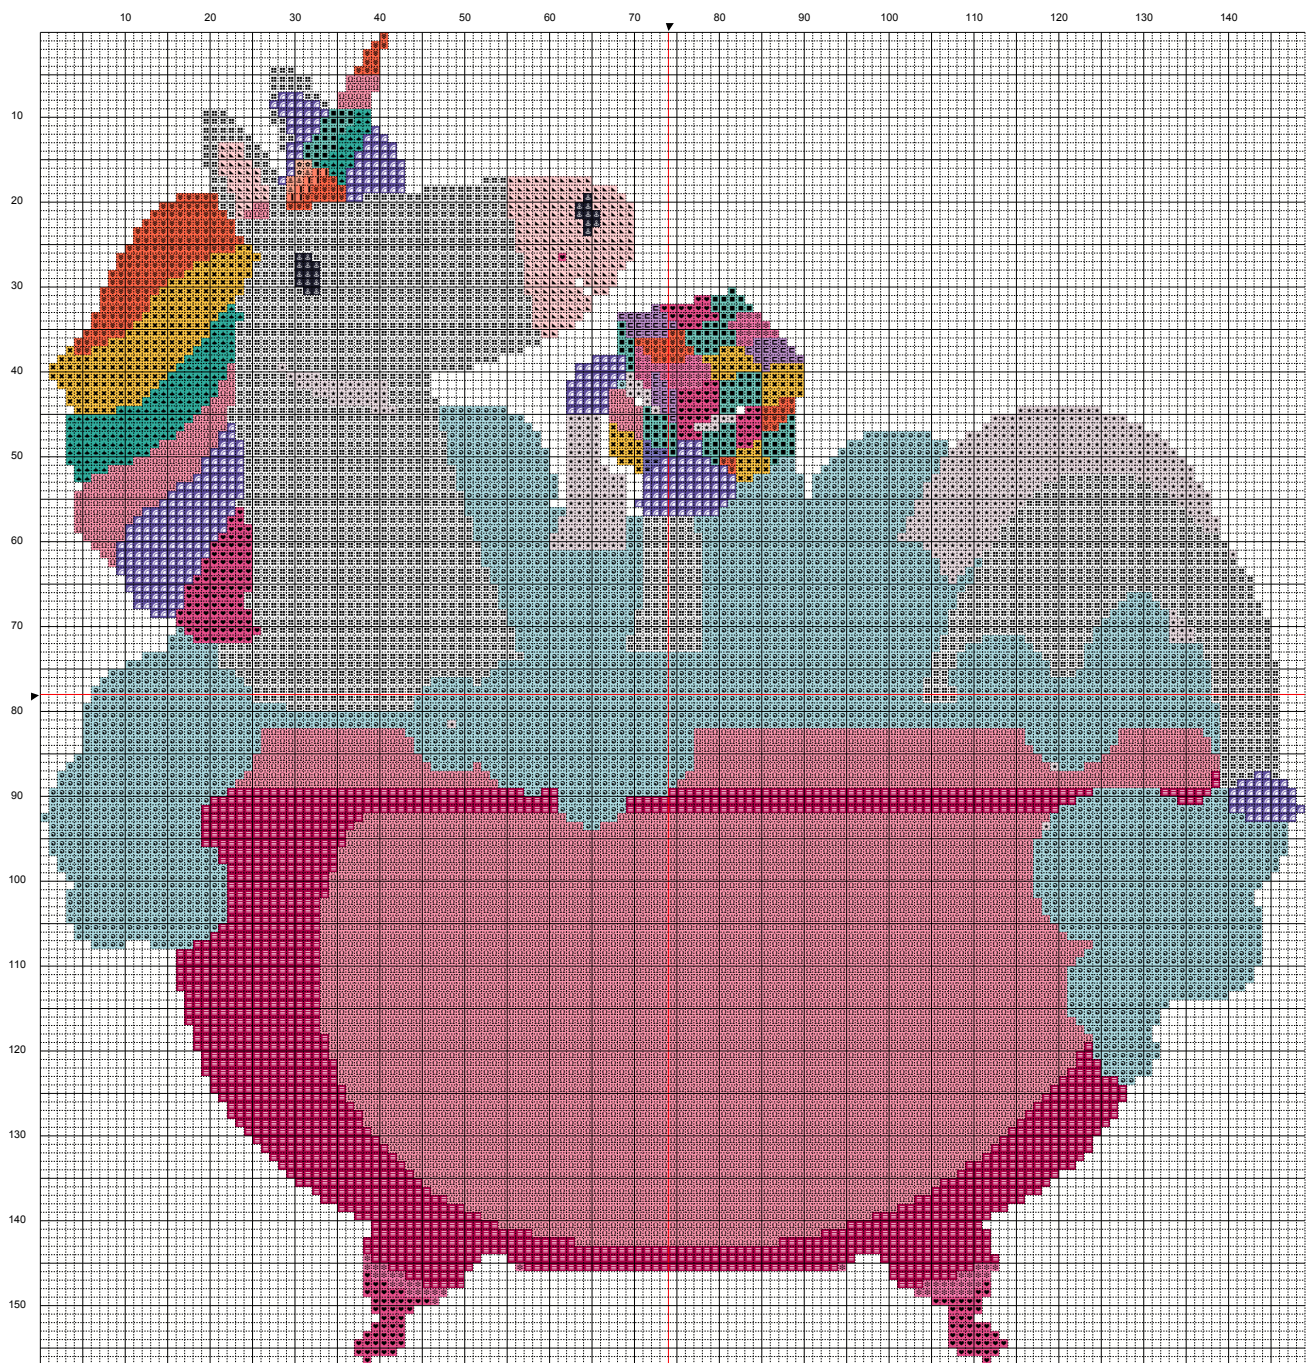

Our brief guidebook walks you through each step of a cross stitch project: selecting fabric and threads, reading the pattern, preparing materials -- then stitching.

There are even instructions for washing and ironing your finished cross stitch.

While the layout, images, and terminology in the eBook are geared toward the PDF charts we design and sell @ *Cross Stitch Patterns Online*, the content is universal and can be applied to any cross stitch project.

Help Desk

WE FULLY SUPPORT OUR PATTERNS
AND DIGITAL PRODUCTS

Thank you for trusting us with your cross stitching experience.

The team here at Cross Stitch Patterns Online are also passionate about embroidery and needleart, and we want the patterns you buy from us to bring you love and joy, not frustration and disappointment.

Please accept our apologies if you've encountered an error or something annoying in your pattern. We'll do our best to get it sorted out quickly.

For immediate assistance visit our online **Help Desk**. It's a growing library of explainer videos and supporting content to get you stitching when the rest of the world's asleep.
